>>>
```

The screenshot shows a Windows 10 desktop environment. At the top, a window titled 'IDLE Shell 3.10.1' is open, displaying the Python 3.10.1 shell interface. The shell shows the Python version and architecture (64-bit AMD64) and prompts the user for help. Below the prompt, the user has entered the expression '5+2', and the shell has returned the result '7'. The Windows taskbar at the bottom of the screen shows the search bar, taskbar icons for various applications, and the system tray area displaying the date and time as '11/5/2022' and '9:15 PM'.
